## August 2024

### Summer Travels, Part II: Indianapolis

Disneyland has used its original tagline, “The Happiest Place on Earth,” since 1955. This summer, I traveled to a place where I experienced a few days of refreshing and true happiness. However, it was not by heading to a theme park in California or Florida. Instead, on July 17, 2024, I drove just three hours to Indianapolis, Indiana, to join over 60,000 people for four full days at the 2024 Eucharistic Congress.

As I approached the convention center on Maryland Avenue, I immediately experienced the “organized chaos.” People of all ages were waiting in line for over three hours to get their official credentials and badges, affectionately referred to as “fast passes.” Meanwhile, I talked with and interacted with people from all over the world. It was striking that almost no one was whining or complaining, including families with babies and toddlers, and people with walkers or in wheelchairs. Everyone I encountered was happy to be there, flexible with big crowds and long lines, and excited about all the scheduled events and celebrations.

You might be wondering, what did these 60,000 happy people do during those four days at the Eucharistic Congress? Of course, there were many opportunities for Mass and Eucharistic Adoration. Also, there was an amazing Eucharistic Procession during which the Blessed Sacrament was carried through the streets, accompanied by hymns and prayers.

The Sacrament of Reconciliation was offered daily. On Friday morning, when I was exiting the Youth Mass, a nun came up to me and said, “Bishop, we have more people wanting to go to confession than anticipated. Can you hear confessions for a few hours?” Without any thought to my schedule, I immediately responded, “Yes, of course, Sister!”

There were youth gatherings and family events and games, as well as cultural and musical performances. Amazingly, an entire room the size of two football fields showcased exhibits and booths of Catholic organizations, religious orders, and vendors offering religious articles, books, tee-shirts, and information about various ministries and services.

There were scores of gifted speakers providing inspirational talks, plus engaging leaders offering workshops on topics related to the Eucharist, faith, ministries, and Catholic teachings. These

presentations were recorded. I invite you to view some of them to grow in your knowledge and love of the Eucharist at [www.eucharisticcongress.org](http://www.eucharisticcongress.org).

A moving highlight for me was celebrating Mass one afternoon for anyone who had traveled from the Diocese of Joliet. St. Mary’s parish, which is about 20 minutes walking distance from the convention center, graciously welcomed over 300 of us into their beautiful church. Amid such a large assembly of people, it was delightful to gather and pray with familiar faces and friends from our diocese.

The Congress provided us with an opportunity to grow in our knowledge and love of Jesus and to adore, worship, and receive the Eucharistic Lord. Yet on the closing day, there was also a challenge extended to all of us. We were urged to make sure our experience of the Congress did not become the “best-kept secret.” Instead, we were exhorted to go home, spread the good news, and put our faith into action.

At the closing Mass on Sunday, July 21, 2024, Cardinal Luis Antonio Tagle from the Philippines, who is the Pro-Prefect for the Section of Evangelization of the Dicastery for Evangelization, called for a renewed commitment to Eucharistic and missionary conversion. He concluded his homily, saying, “When the priest or deacon says, ‘The Mass is ended. Go in the peace of Christ,’ . . . please go! What you have heard, touched, and tasted, you must now share with others!” He specifically called us to be Eucharistic Missionaries.

On the penultimate day of the Congress, I took a long walk away from the convention center to get some exercise. I passed a woman standing on a street corner by a remote and deserted gas station. I asked her if everything was okay. She responded, “I am fine. My husband will pick me up in two minutes. I am just so happy with this Eucharistic Congress.” I blurted, “Me too! And that’s the word, happy! There was a true happiness here felt by over 60,000 people.” With a beaming smile, she astutely added, “Well, that’s what happens when you keep Christ and the Eucharist at the center of your life!”

Amen to that! And I pray that Christ and the Eucharist, the source and summit of true happiness, bless you with His body, blood, soul and divinity as we go out to live and spread our faith as Eucharistic Missionaries. †

*"Thank you, Mother, for your loving presence. Thank you for family, Church and friends".*

Do you want to know more about the works of the *Legion of Mary*? **It is an association of lay Catholics through Corpus Christi Pastor Father Mark Jurzyk, and under the powerful leadership of Mary Immaculate, Mediatrix of all Graces, who is fair as the moon, bright as the sun, terrible as an army set in battle array,** formed themselves into service in the spiritual warfare against the world and its evil powers to bring everyone to her beloved Son, Jesus. **We meet every Wednesday at 7 pm in Marian Hall.**

As members, we unite ourselves by starting our meetings with the rosary, stand for the Legion's Catena Prayers during mid meeting, and end with the Closing prayer for the beautification of the Founder of the Legion Frank Duff. Trusting fully in Mary's guidance, we plan and organize corporal and spiritual acts of mercy to carry out our promise to be instruments of Mary's desire to fulfill God's plan. If you have this kind of calling, please don't hesitate to join us.

## Stop Assisted Suicide

### A Better Way Forward – A Message from the Catholic Bishops of Illinois

Legislation has been introduced to legalize assisted suicide in Illinois. SB 3499 makes it legal for a physician to prescribe an array of lethal drugs to a person diagnosed with a terminal disease who requests to end his or her life. The Catholic Bishops of Illinois oppose this legislation; there is a better way forward for our state.

Assisted suicide disregards the Hippocratic Oath, “Do No Harm,” and sends the wrong message about the role of medical professionals. We cannot say it any better than the American Medical Association: “Physician assisted suicide is fundamentally incompatible with the physician’s role as healer, would be difficult or impossible to control, and would provide serious societal risks.”

This legislation brings a range of possible abuses. It should alarm us that in states with legalized assisted suicide there are documented cases of people being offered inexpensive lethal drugs to end their life rather than being provided more costly treatment. The poor and those with disabilities are particularly in jeopardy because they are the most vulnerable to abuses. Every major national organization that represents people with disabilities is opposed to assisted suicide.

In Oregon, where assisted suicide has been legal since 1997, data show that pain is not among the top five reasons why a person wants to end their life. Loss of autonomy, feelings of being a burden and being less able to engage in activities that make life enjoyable are most often cited as reasons for choosing assisted suicide. A better way forward is to expand mental health coverage and strengthen social supports such as community programs to help those dealing with depression and feelings of hopelessness.

No one wants to suffer or experience a loved one’s suffering. Fortunately, there are effective ways to alleviate suffering or make a person more comfortable at the end of life through palliative care. This relatively new specialty area of medicine cares for the whole person — physically, emotionally, socially, and spiritually — to relieve symptoms and stress that often accompany serious illness or side effects of treatment. A better way forward is to expand the number of palliative care locations and services in all areas of Illinois.

### RESOURCES FROM THE CATHOLIC CONFERENCE OF ILLINOIS
