## 35 Years of Corpus Christi – the Body of Christ

This Sunday we inaugurate a festive celebration of the 35th anniversary of our parish. During all Masses this day, we will pray for those who for over 35 years have been dedicating their time, talents and material resources for this Catholic community. They bought 10 acres of farmland and built a rectory with offices and finally a church. The church building and other facilities have served people then and now to create a community of believers – the local church. This local church is a part of something extraordinary - the Catholic Church which extends all over the world and whose head is Jesus Christ himself. This work has been continued by many who joined Corpus Christi parish in later years and recently. Today, we benefit from their hard work and are called to add to the beauty of the parish, both spiritual and material.

Our parish was established in June 1989, and Father Charles Gemskie was assigned to be the founding pastor of the new parish. The name of our parish, Corpus Christi, which means “The Body and Blood of Jesus Christ” is very special. It guides us directly to the real presence of Christ with us - the Eucharist - that is “the source and summit of the Christian life”. When our church was founded, it was the only one in our diocese with such a name. After the church of Corpus Christi in Chicago was closed several years ago, our church is now the only church with such a beautiful name in the entire Chicago area.

In the beginning, our church’s offices were located in the basement of Brust Funeral Home on Gary Avenue, and Masses were celebrated in the gym at Benjamin Middle School and in the auditorium of Glenbard North High School. In 1991, the offices were moved to the newly constructed rectory, and work began to build the church. The church was constructed very quickly and just over three years later, on November 22, 1994, the new church was dedicated by Bishop Joseph Imesch. In 2004, Fr. Gemskie retired, and Fr. Bob Hoffenkamp was installed as the second pastor of Corpus Christi. In 2007, Fr. Bob initiated a capital campaign to expand the worship space and offices, enlarge the church’s narthex, and replace the elevator. In this way, our church became much larger and beautiful. In addition, elements were purchased from other churches, all of them nearly a century old: a set of stained-glass windows, stations of the cross, and a traditional altar. The project was completed in 2013, but additional upgrades continued to be made in 2015, including installing pews, kneelers and a centrally located tabernacle.

I became pastor of Corpus Christi in November 2014 after Fr. Bob’s retirement. I continued the pastoral work of my predecessors, and at the same time developed a few new initiatives in answer to new challenges and opportunities. Even though our parish is not a big one, it has a big heart. The proof of that is the fruitful activity of many parish groups and individuals adding to the spiritual and material good of the parish: CCW, Knights of Columbus, St. Vincent de Paul, Cursillo, Legion of Mary, Children of Mary, CRHP, Youth Ministry Mission Trips, Youth Leadership Conferences, Lend a Hand, and many more.

I believe that, with the help of our parishioners, the true and authentic teaching of the Church has been alive in our parish for the last 35 years. With hope and trust, we look to the future. We want to be faithful to Christ and to His Church as she feeds us and our families with the word of God and his Body and Blood. In the Church and through the Church, we experience a continuous flow of God’s graces in our lives, our families, faith community and society. We are profoundly grateful to God for all of this.

## Our Lady of Fatima wishes to visit your Home

Would you like the Blessed Mother of God come to your home for a week's visit? The Legion of Mary of Corpus Christi encourages families, especially those with young children, empty nesters, single parents, everyone, to spend some time with Mary. We will provide a prayer packet to help you.

Please contact the Parish Office at [corpuschristicc@sbcglobal.net](mailto:corpuschristicc@sbcglobal.net) or leave a message at 630-483-1673 to schedule a date. Discover spiritual peace and comfort in her presence. If you wish her to come and stay in your house for a week, please send a message to Letty Dino at [ldino518@gmail.com](mailto:ldino518@gmail.com) or call Letty Dino 312-237-6448. Our parishioners have joyously received our Blessed Mother since January of this year.

### Here's what some of our host families have shared:

Sbertoli Family

*"It was a wonderful experience. Having Mary in our home brought comfort and peace. She was a great reminder to pray more often during the day. Thank you!"*

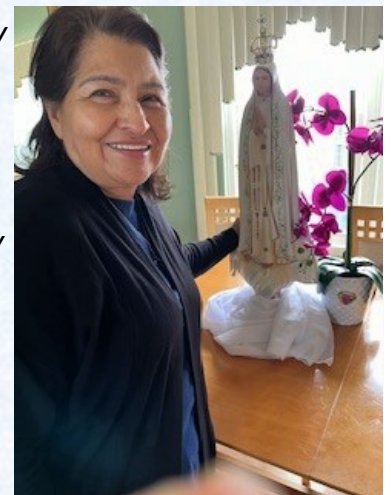

*"Since the Virgin Mary's visit, our home has been blessed with many graces."*

*"It is very beautiful and good to have Mary in our home. Thank you!"*

*"Thank you for sharing the Virgin with us. She was a blessing to our family. We asked her to cure our mom of cancer, bring peace to the whole world and for my husband who is in poor health."*

*"I pray that our Mother will touch all the hearts that have come in contact with her,"*

*"Thank you, Mother, for your loving presence. Thank you for family, Church and friends".*

Carolyn Cardenas

Do you want to know more about the works of the *Legion of Mary*? **It is an association of lay Catholics through Corpus Christi Pastor Father Mark Jurzyk, and under the powerful leadership of Mary Immaculate, Mediatrix of all Graces, who is fair as the moon, bright as the sun, terrible as an army set in battle array,** formed themselves into service in the spiritual warfare against the world and its evil powers to bring everyone to her beloved Son, Jesus. **We meet every Wednesday at 7 pm in Marian Hall.**

As members, we unite ourselves by starting our meetings with the rosary, stand for the Legion's Catena Prayers during mid meeting, and end with the Closing prayer for the beautification of the Founder of the Legion Frank Duff. Trusting fully in Mary's guidance, we plan and organize corporal and spiritual acts of mercy to carry out our promise to be instruments of Mary's desire to fulfill God's plan. If you have this kind of calling, please don't hesitate to join us.

## Stop Assisted Suicide

### A Better Way Forward – A Message from the Catholic Bishops of Illinois

Legislation has been introduced to legalize assisted suicide in Illinois. SB 3499 makes it legal for a physician to prescribe an array of lethal drugs to a person diagnosed with a terminal disease who requests to end his or her life. The Catholic Bishops of Illinois oppose this legislation; there is a better way forward for our state.

Assisted suicide disregards the Hippocratic Oath, “Do No Harm,” and sends the wrong message about the role of medical professionals. We cannot say it any better than the American Medical Association: “Physician assisted suicide is fundamentally incompatible with the physician’s role as healer, would be difficult or impossible to control, and would provide serious societal risks.”

This legislation brings a range of possible abuses. It should alarm us that in states with legalized assisted suicide there are documented cases of people being offered inexpensive lethal drugs to end their life rather than being provided more costly treatment. The poor and those with disabilities are particularly in jeopardy because they are the most vulnerable to abuses. Every major national organization that represents people with disabilities is opposed to assisted suicide.

In Oregon, where assisted suicide has been legal since 1997, data show that pain is not among the top five reasons why a person wants to end their life. Loss of autonomy, feelings of being a burden and being less able to engage in activities that make life enjoyable are most often cited as reasons for choosing assisted suicide. A better way forward is to expand mental health coverage and strengthen social supports such as community programs to help those dealing with depression and feelings of hopelessness.

No one wants to suffer or experience a loved one’s suffering. Fortunately, there are effective ways to alleviate suffering or make a person more comfortable at the end of life through palliative care. This relatively new specialty area of medicine cares for the whole person — physically, emotionally, socially, and spiritually — to relieve symptoms and stress that often accompany serious illness or side effects of treatment. A better way forward is to expand the number of palliative care locations and services in all areas of Illinois.

### RESOURCES FROM THE CATHOLIC CONFERENCE OF ILLINOIS

Assisted suicide is not a compassionate solution for those who suffer. There is a better way forward that offers compassionate care and compassionate choices.
