The Pastor's Corner...

The Amazing Grace of God's Mercy

- *How can the Church, composed of human beings, decide matters that have eternal consequences?*
- *How can a pilgrimage to a special place produce far-reaching results like a plenary indulgence, that is, the remission and forgiveness of all our sins?*

Our church has been designated to be a pilgrimage church during the Jubilee Year 2025. This means that everyone who makes a pilgrimage to our church and fulfills the conditions for a plenary indulgence can receive the indulgence for oneself or for someone who died. We could summarize these conditions in this way: a person must be **moved by a spirit of charity**, be **purified through the Sacrament of penance**, be **refreshed by Holy Communion** and must **pray for the pope's intentions**. Through this pilgrimage, as well as a work of mercy or an act of penance, we will be able to obtain from the treasury of the Church a plenary indulgence, with remission and forgiveness of all our sins, which can be applied to the souls in Purgatory. [[Details about Plenary Indulgences](#)]

This is truly an amazing gift – remission and forgiveness of all our sins! And our parish is blessed to participate in this in a special way, being the place where people can obtain such a gift. What a privilege ... but what an obligation for us at the same time. Every day we can receive even two plenary indulgences for ourselves or someone who died. We cannot offer it for the living.

I would like to answer two questions that may be raised in regard to a plenary indulgence. The first is: how can the Church, composed of human beings, decide matters that not only touch our current life but that have eternal consequences? Let's remind ourselves of two classical texts from the Gospel in answering this question. In the Gospel of John, we read that Jesus said to the Apostles, "*Peace be with you. As the Father has sent Me, so also I am sending you... Receive the Holy Spirit. If you forgive anyone his sins, they are forgiven; if you withhold forgiveness from anyone, it is withheld.*" (John 20:21-23) On another occasion Jesus said to Simon Peter, "*you are Peter, and on this rock I will build my church, and the gates of hell shall not prevail against it. I will give you the keys to the kingdom of heaven. Whatever you bind on earth shall be bound in heaven; and whatever you loose on earth shall be loosed in heaven.*" (Mt 16,18-19) Jesus left the world, but before leaving, He established His

Church and destined that this Church would lead people to be a means of their sanctification until His return at the end of time. He did not stay physically on earth to lead the Church. Instead, He intended that with the assistance of the Holy Spirit, the Church herself would pilgrimize in the right direction, making right decisions regarding the salvation of people: "*whatever you bind on earth shall be bound in heaven.*"

The second question is: can a seemingly trivial thing, such as a physical visit, a pilgrimage to a special place – Rome, a cathedral or a designated place – produce such far-reaching results like the remission and forgiveness of all our sins, in other words, a plenary indulgence? The Old Testament story in 2 Kings 5 about Naaman, commander of the Syrian army, and, who had leprosy could be helpful in answering this question. Naaman came to the prophet Elisha in the Holy Land with the hope of being healed. The prophet did not even appear in person, but instead, sent word through a messenger that the general should submerge himself seven times in the River Jordan. Initially, Naaman rebuked such an idea as senseless, and he wanted to go home but fortunately he has listened to his servant who advised him, "if the prophet told you to do something extraordinary, would you not do it? All the more since he told you, 'Wash, and be clean'?" Naaman did as Elisha had asked him, became clean and professed faith in God. The crucial point of this story is that it was not the submergence in a specific river as such that gave Naaman access to God's grace, but that it was his **trust in God expressed in the act of washing himself in the river** that obtained God's grace for him.

In the same way, while visiting pilgrimage churches during the Jubilee Year could seem to be a relatively easy thing, we must remember that this visit has to be an expression of our trust in God, a sign of our willingness to repent, to amend our life and follow the way of the Gospel. We also need to remember that the other standard condition for obtaining a plenary indulgence requires a serious revision of our life. Sacramental Confession that removes our mortal sins, and other sins as well, may be neglected by some people for years. However, the Church requires us to go to Confession at least once a year. If we skip Sunday Mass without a serious reason, we are not in the state of grace and we cannot receive Communion, nor are we able to receive a plenary indulgence. In addition, the person seeking

The Pastor's Corner...continued

a plenary indulgence not only has to be free of mortal sin, but must be detached from any sin, including any venial sin. We see clearly that obtaining a plenary indulgence requires a full determination to live an authentically holy life, as God calls us.

For some people, this could be too much. They may state and think: We are Catholics, and we try to fulfill some of the religious obligations. We practice our faith occasionally or more frequently, and we are generally not bad people. What's wrong with that? Do we have to be holy on earth? Won't we be holy in heaven? So don't exaggerate with all this Christianity! Too much is too much! Purgatory? Come on! Are you serious? God is good, and no doubt we will go straight to heaven, as our parents did.

What can we say to that? Of course we can try to comfort ourselves with such a mediocre Christian life. But in this way, we are missing out on a lot now and missing much more in the future life. Rather, we should see the Jubilee Year and our church designated to be a pilgrimage church as a

gift, an opportunity and a chance. The Jubilee Year indulgences can reach each one of us as a genuine experience of God's mercy, which comes to meet each person

in the Face of the Father who welcomes and forgives, forgetting completely the sin committed. A pilgrimage to the Holy Doors in Rome, to a Cathedral, or to churches designated by the Diocesan Bishop is a sign of a deep desire for our true conversion when it is linked to the Sacrament of Reconciliation, the celebration of the Holy Eucharist, a reflection on God's mercy, and Christian hope.

May God help us to grow in wisdom and faith every day of the Jubilee Year!

Corpus Christi Church Presents:

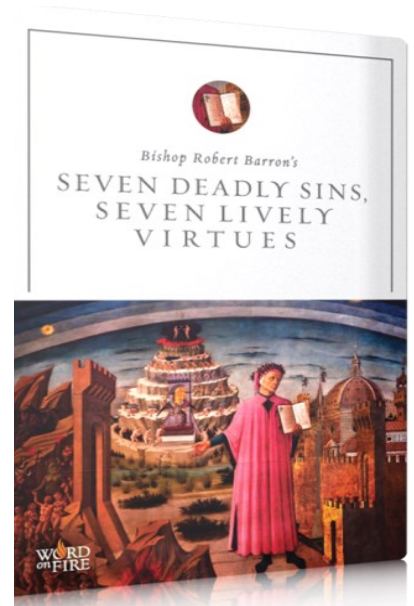

Seven Deadly Sins, Seven Lively Virtues

8-Week Bible Study Program

By Bishop Robert Barron

Bishop Robert Barron presents on the seven deadly sins, those great spiritual blocks that inhibit our flourishing in relationship with God and one another. Based on Dante's writings, the seven deadly sins correspond to the seven stories of Dante's Mt. Purgatory. Pride, envy, anger, sloth, gluttony, avarice and lust are all presented as patterns of dysfunction within us that lead to unhappiness.

Bishop Barron shows us how to counteract these seven sinful patterns through a conscious process of opposition, known as the "seven lively virtues." These offer antidotes to each sin and help set us on the right path to healing and happiness.

The 2025 Catholic Ministries Annual Appeal has begun

As the Diocese of Joliet launches the 2025 Catholic Ministries Annual Appeal (CMAA), we are humbly asking all parishioners to pledge their support for this important effort, as together we can make a profound difference.

This year's CMAA theme is *Open your heart to God's goodness*. Through our support, we ensure that the mission and ministries of Christ's Church are available to everyone. Together, we can help provide safe shelter for the homeless, feed the physical and social needs of those who are hungry, inspire those discerning a life of vocation, and aid in the education of our next generation of Catholics. Our parish could not accomplish all of this on its own. As a diocese working together, we can do so much more.

70% of any amount we raise over our goal will be returned to us and used fruitfully within our own parish. Please review the materials you receive in the mail from the Diocese of Joliet this month and prayerfully reflect on your gift to this year's annual appeal. If you do not receive a CMAA mailing, please contact the parish office. Thank you!

Our Lady of Fatima wishes to visit your Home

Last year, 2024, 64 families of our parish welcomed Our Lady of Fatima into their homes. How awesome to hear each of the family testify to the spiritual peace, love and loving comfort that they felt as they prayed the Rosary each night for a week.

So again, the Legion of Mary invites you, especially those with young children, empty nesters, single parents, to spend a week with Mary in your home. Experience her presence. Our Mother wishes to be a part of your prayer life and to bring you closer to her Son, Jesus.

We will provide the prayer packet you will need.

Please email the Parish Office at corpuschristicc@sbcglobal.net or leave a message 630-483-1673 to schedule a date. You can also contact Letty Dino at ldino518@gmail.com
Our Lady is waiting for you!

Here are the latest comments from our host families:

"There is a comforting peace in the house when Mary visits. We ask for help to pray for my children."

"We love having Mary in our house. We think she likes it here because she looks pleased when we sit and pray with her. Thank you Mary and to the women who bring her to us."

"We have such peace and love when the Blessed Mother is in our home. Thank you Mother, for continuing to bless us."

Elizabeth Ruyvaczyk

"Our Lady often speaks of peace in her messages and her presence in our home brought us peace, comfort and calm which I truly appreciated and experienced. Please pray for the efforts of all heavenly prophets, messengers, mystics and ministers of the truth. May the Holy Spirit inspire us all to recognize His message."

"Once again, as always, Mother Mary brought peace and comfort to me."

The Gift of Imagination

Whenever I fly, I frequently do three things. First, I always pray a rosary—that's a given! Then, I catch up on some work or necessary reading. Finally, I relax a bit and watch a movie. I admit I am quite conscious that, by wearing my Roman collar, many people in the seats around me take note of the movie I have selected. The last thing I want is for them to go home and tell their family and friends that they witnessed a Catholic bishop praying a rosary and then watching a super-violent or unseemly movie!

On my most recent flight, I selected the family-friendly movie *Harold and the Purple Crayon*. It is a heartwarming film about the power of imagination and the beauty of creativity. The hero of the story is Harold, a young boy who is gifted with a purple crayon that allows him to bring his drawings to life. As he sets out on an adventure, Harold learns valuable lessons about courage, problem-solving, and the responsibility that comes with shaping the world around him.

Spoiler alert: toward the end of the movie, Harold finds a touching letter from the author who created him. In it, he reads:

"Dear Harold, one day you might want to know why I made you. I wanted to show folks that, with a little imagination, you can make your life whatever you want it to be."

This film reminds us that, like Harold, we all have the ability to create, dream, and make a difference in this world through our imaginations. How true!

Our imagination is truly a gift from God, allowing us to see beyond what is and dream of what could be. We are made in the image of God, and our ability to imagine and create reflects His divine nature. This gift allows us to participate in our Creator's ongoing work of beauty and goodness in the world.

Perhaps you are familiar with Ignatian Contemplation, also known as imaginative prayer. Through this method, St. Ignatius of Loyola teaches us to pray using our imaginations. This practice encourages us to place ourselves inside a biblical scene, using all our senses to experience the story as if we were truly there. If you have never used this form of prayer, I invite you to try it using these basic steps:

Imagine yourself in a scene from Scripture, such as being present at Jesus' birth, walking with Him along the road, or witnessing His miracles.

Engage your senses by seeing the setting, hearing the voices, feeling the textures, smelling the surroundings, and experiencing the emotions.

Interact with Jesus directly by listening to His words, speaking to Him, and experiencing His love.

After an imaginative prayer experience, St. Ignatius invites us to reflect on what we felt, learned, or heard. In other words, we can ask ourselves, "How did God speak to me through my imagination?"

Faith itself requires the gift of imagination. It gives us the ability to believe in what we cannot see (Hebrews 11:1). Imagination allows us to trust in God's plan, envision a better future, and hold onto hope even in difficult times. It also builds our capacity for compassion and empathy by helping us put ourselves in others' shoes and understand both their joys and struggles. This ability to see the world from different perspectives strengthens our call to love one another, just as Christ taught.

Of course, like all gifts, we can misuse our imagination. According to John Lennon, we can "imagine there's no heaven. It's easy if you try." Why would we do that? Sometimes our world or life experiences bring us to imagine sad, evil, and immoral things. Yet God gifted us with our imaginations so that we may be fully alive and joyful through, with, and in Him.

So, I invite you to imagine the Holy Trinity—being in the presence of God the Father and feeling His eternal love, peace, and mercy; walking and talking with Jesus; and experiencing the Holy Spirit descending upon you, filling you with wisdom, strength, and courage. Imagine there is a beautiful heaven, teeming with saints, angels, and your loved ones in God's eternal presence.

Ultimately, imagination is a sacred gift that allows us to create, love, hope, and draw closer to God in all that we do. Please join me in imagining a Church and a world where every heart is filled with God's love and mercy, abounding in kindness, respect for life, justice and peace for all people—now and forever! ✝

We invite you to become a registered parishioner of Corpus Christi, or to submit/update your contact information (for important church updates).
